Lyrebird Auxiliary

About us

The Gippsland Southern Health Service Lyrebird Auxiliary is a small group of dedicated volunteers working enthusiastically to raise funds for the purchase of equipment for the direct benefit of patients and residents at the Leongatha and Korumburra Hospitals and affiliated aged care facilities and community support programs.

The Auxiliary's mission is to support Gippsland Southern Health Service in its efforts to provide quality health care to patients and residents of the community it serves.

Donations & fundraising

In the past few years the Auxiliary donations have included:

- A Hoverjack for the Korumburra Hospital.
- A donation to help establish a reflection garden at the Leongatha Hospital.
- An interactive TV for the Respite Group at the Korumburra Hospital.

Fundraising efforts by the Auxiliary include movie nights, sausage sizzles, donation tins, raffles and garage sales raising hundreds of dollars each year.

The Auxiliary provides knitted soft toys (donated by non-auxiliary members) to children needing comfort.

Each Christmas the foyers of both hospitals and aged care facilities are decorated by Auxiliary members with Christmas trees.

All welcome

We invite you to join our Auxiliary. It is a wonderful opportunity to support your local hospital and community as well as making new friends. It is not all work, there is fun involved as well. You can provide the most precious of all gifts - your time.

We meet on a Monday evening approximately every 6 weeks. If you are interested in volunteering please contact:
