

POSITION DESCRIPTION

Position Title	Registered Nurse – Grade 3 (ANUM)		
Division	Nursing	Unit	Hillside
Campus	Korumburra		
Classification	Registered Nurse, Grade 3 (ANUM)		
Award	Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2016 - 2020		
Reports To	Nurse Unit Manager Hillside		
Professional Relationships	Enrolled Nurses, Personal Care Workers, Lifestyle Coordination Staff, Allied Health Professionals, Administration Staff		
Position Approved By	Director of Nursing - Korumburra		

Position Outline:

The position of Registered Nurse - Grade 3 (ANUM) is an exciting and challenging career opportunity within Gippsland Southern Health Service.

The key objective of this position is to provide clinical services to patients across all settings within GSHS including acute inpatient, outpatient and residential aged care whilst achieving and maintaining high standards of quality care and service, reliability and safety. This will occur within the principles of care coordination, where patients/residents have access to a highly coordinated health care and community support system.

This position is at operational/middle management level and will have input into planning and decision making processes as part of the service team.

This objective is achieved by adhering to the following core principles;

- Maintaining professional nursing care for patients and clients
- Respecting client rights in cooperation with the client, their representatives and other health professionals
- Ensuring care is provided in accordance with GSHS policies and procedures
- Ensuring practice is conducted in a way that supports the Occupational Health and Safety principles of GSHS

Working with a diverse range of people, you are required to uphold GSHS values and ensure our patients and families are treated with respect and professional care.

Divisional Context:

The Nursing Division at GSHS is a dynamic team of nurses, personal care attendants, hotel and domestic workers, administrative staff, managers and a variety of key medical practitioners who provide a broad range of acute and nursing-based services to the South Gippsland Shire, including:

Inpatient care
Specialist Nursing Services
Theatre
Infection Control

Residential Aged Care
Clinical Support Services
Hospitality Services
Staff Education and Development

Health Service Context:

GSHS is a major provider of healthcare in the South Gippsland Shire. GSHS offers a broad range of services that meet the needs of a diverse and sparsely populated area with many small rural communities. With two main acute facilities based at Leongatha and Korumburra, GSHS offers a broad range of specialist, general, acute, subacute, ambulatory, residential aged care and community services.

Although GSHS is made up of a number of sites, they all operate as part of the one organisation and therefore the service profile is informed by the geographical nature of the diverse communities as well as the strategic imperatives of the Department of Health & Human Services.

Vision, Mission and Values:

The Values are detailed in GSHS' Employee Charter and form part of your terms and conditions of Employment as does the Code of Conduct for Victorian Public Sector Employees. GSHS expects all employees to behave in accordance with these requirements at all times whilst employed by the organisation.

Vision	Mission
<i>Excellence in Healthcare</i>	<i>Building a Healthier Community Together</i>

OH&S

Each employee has the right to a safe working environment and they should advise their supervisor of any risk or condition likely to result in accident or injury. Each employee has the responsibility to take reasonable care of their own health and safety, to comply with GSHS OH&S policies and procedures and to participate in appropriate safety education and evaluation activities.

Policies & Procedures

It is everybody's responsibility to access and have knowledge of the relevant policies and procedures that relate to their employment. All GSHS policies and procedures can be accessed on the intranet site.

Person Centred Care

Person Centred Care (PCC) is a philosophical approach to how we provide care to patients and interact with other customers, including colleagues. PCC is based on the principles of respect, value of the individual, and the need to deliver service in an environment that supports peoples' physical, emotional, social and psychological needs. PCC is underpinned by a culture of collaboration and partnership and all staff are required to adhere to these principles.

Values & Conduct

Staff are required to comply with GSHS Employee Charter. The way we behave in the workplace and the manner in which we undertake our job is as important as how we perform the tasks for our role. We expect that all staff will embrace GSHS' Employee Charter and demonstrate these in their daily work.

GSHS operates under the Code of Conduct for Public Sector Employees. This Code of Conduct, together with any professional Code of Conduct relevant to the role being performed, form part of each employee's conditions of employment and it is expected that all staff will familiarise themselves and comply with this Code of Conduct and those relevant to the role they perform at GSHS.

Risk Management

GSHS supports an organisational philosophy that ensures risk management is an integral part of corporate objectives, plans and management systems. Staff are to be accountable for risk management through organisational, team and individual performance objectives that are within their span of control.

- Contribute to effective risk management within their area of influence
- Adhere to organisational risk management policy and procedures
- Assist in fostering a risk-aware culture and ensure that any staff members in their supervision understand their responsibilities
- Identify new and emerging risk
- Contribute feedback to risk management review processes

Professional Development & Performance Management

Ensures best practice at all times by ensuring that professional skills are regularly updated and mandatory competencies are maintained in accordance with GSHS Policy.

It is a condition of employment that staff participate in the performance review program in accordance with the parameters set out in GSHS policy and procedures.

Quality Improvement

Each staff member has a responsibility to participate and commit to ongoing quality improvement activities.

Clinical Supervision

GSHS' participates in programs designed to provide students with on-the-job training whilst being supervised by an appropriately skilled person. All staff of GSHS are required to provide such supervision from time-to-time.

Registered Health Professionals are required as part of their status as registered Health Professionals to provide clinical supervision from time to time, whether recognised as part of their job responsibilities or not. GSHS expects that the highest standards of best practice will be applied at all times where staff are required to provide clinical supervision to either staff or students.

Privacy & Confidentiality

All GSHS Employees are required to comply with the provisions of the Privacy & Confidentiality Policy and any legislative requirements detailed in the Federal Privacy Act, 1988, the Health Records Act 2001, Section 141 of the Health Services Act Victoria, 1988 and the Freedom of Information (Amendment) Act, Victoria 1999

Additional Requirements:

This position description is subject to review and amendment at any time, as appropriate and approved by the relevant Manager.

To ensure a healthy and safe environment for everyone, smoking is not permitted on GSHS grounds, buildings or vehicles.

All staff are required to provide a current National Police Records Check prior to commencement. A Working with Children Check may also be required for particular positions.
